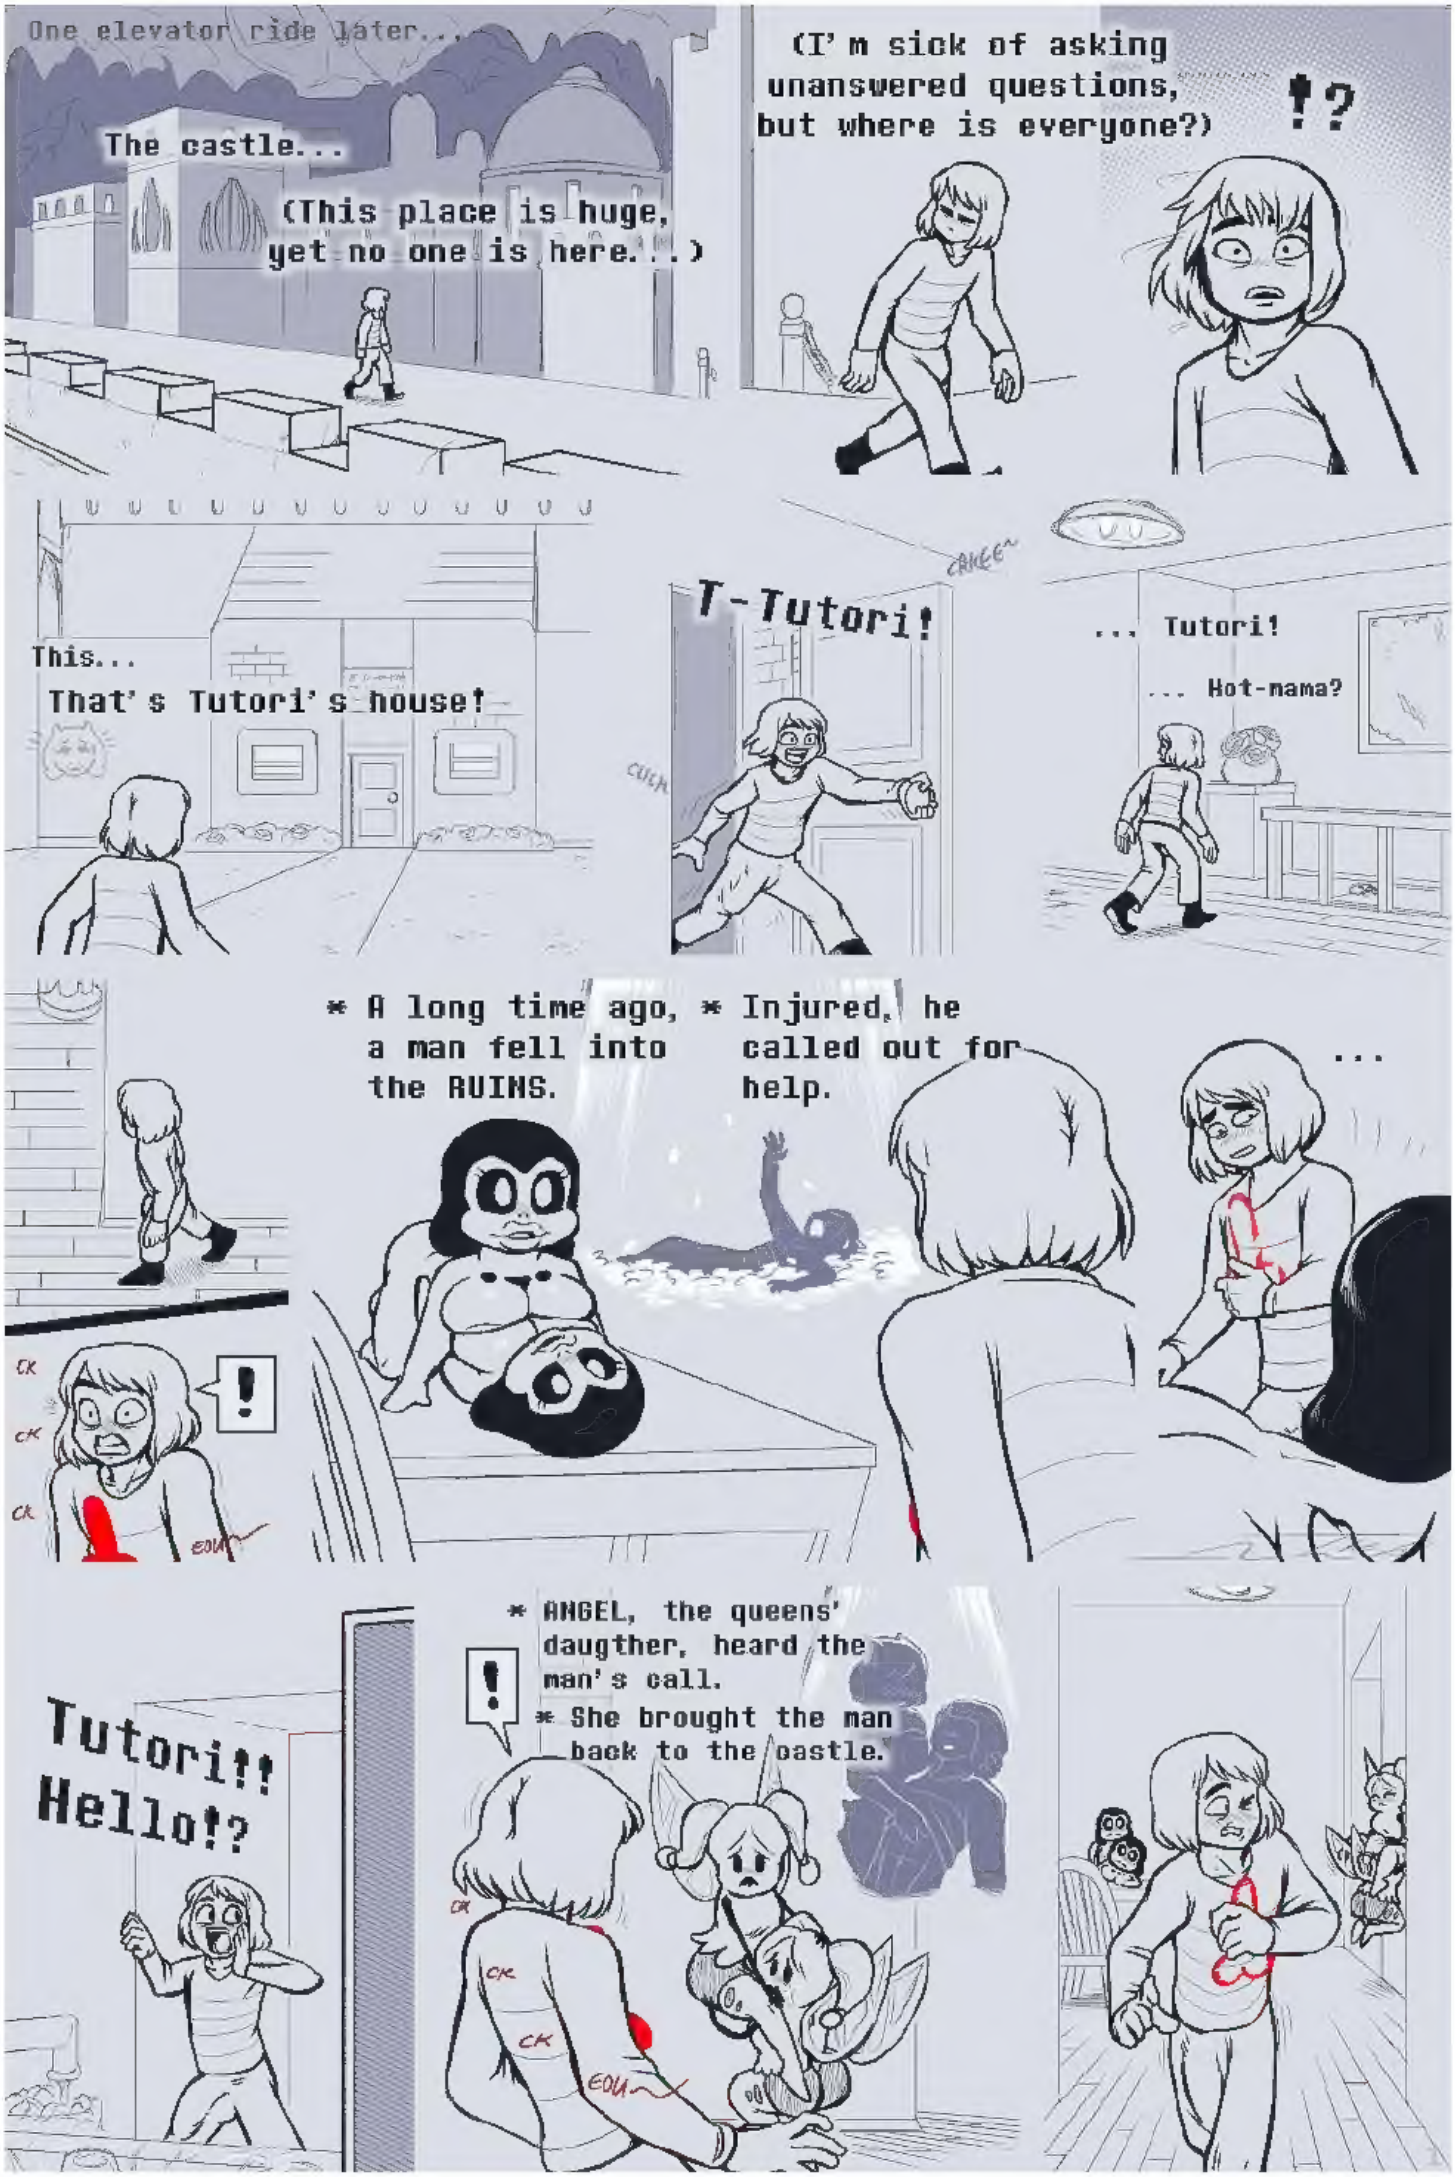
HER UNDERTAIL

MONSTER-GIRLEDITION

PART 7



One elevator ride later...
The castle...
(This place is huge, yet no one is here...)
(I'm sick of asking unanswered questions, but where is everyone?)
!?
This...
That's Tutori's house!
T-Tutori!
CREAK~
CLICK
... Tutori!
... Hot-mama?
* A long time ago, a man fell into the RUINS.
* Injured, he called out for help.
...
!
CK
CK
CK
EOW
Tutori!!
Hello!?
!
* ANGEL, the queens' daugther, heard the man's call.
* She brought the man back to the castle.

EOW

One room search later...

A locket?

Its no key, but whatever.

(The cellar locked. I don't know why, but I better find the key and get-)

CK CK CK

!

EOW

* Over time, ANGEL and the man became close. Very close.

* The two queens accepted him as well, treating him with care.

* The underground was full of hope... and lust.

PLAP!

SLAP SLAP SLUK

(Why does this place look EXACTLY like Tutori's place, but there's no Tutori??)

(I'm running into everyone but her!)

SHIT!

Okay, this may be the cellar key, but maybe there's something in here that...

wait...

Holy shit! Assmore's journal!?

(What kind-of-raucky things is the queen of monster girls writ... ing...)

Uhh...

(... nothing of interest or value. Damn.)

(Nothing... all this feels like a dream.)

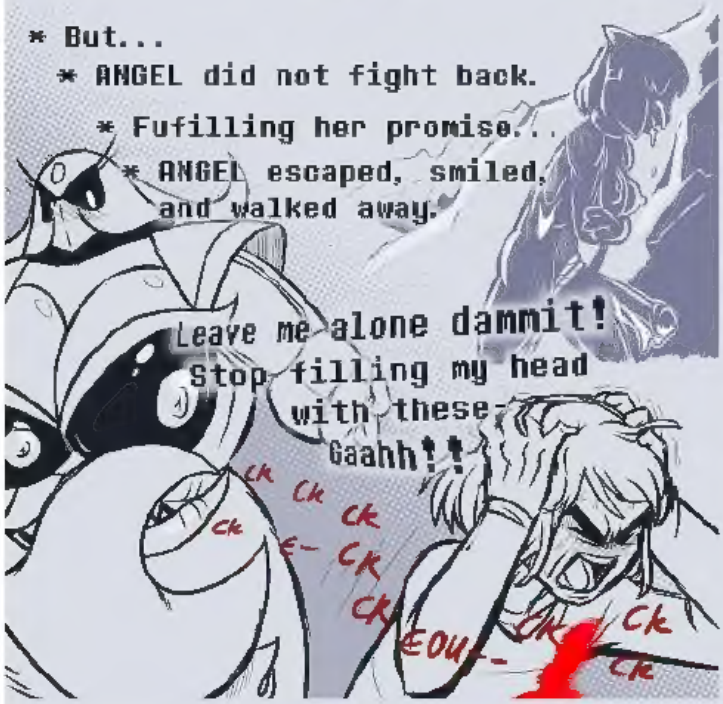
(Despite everything, I'm still me... right?)

No where but down...
I guess...
(Even the cellar looks the same...)
Wh-
* Then... One day...
* The man became very ill.
ck ck ck
EOW
* The sick man had one last request.
* (Actually two counting the quickie.)
* (Shut the fuck up!)
* To see the flowers from his village.
* But there was nothing that could be done.
Gnnh!
What the ff-Why--
* The next day.
* The next day.
ck ck ck EOW
Unh...
* The man died.
(I do not like where this is going...)

* ANGEL, filled with grief and his body fluids from before, absorbed the lustful soul of the dead man.
* She gained great power, and a great veiny penis.
(This is exetremely hard to take seriously.)
* With the man's lustful soul, ANGEL crossed the barrier.
* She carried his body into the sunset.
* Back to the village of humans.
* ANGEL reached the center of the village.
* There, she found a bed of white flowers.
EOW~
EOW~
* She placed him onto it.
Wh...
I don't understand any of this.
CK
CK
CK
CK
CK
* Suddenly, a scream rang out.
* the villagers saw ANGEL standing over the man's body, and with her cock exposed.
* They thought that she had raped and killed the man.
CK
CK
CK
Why... Why are you telling me this!?
EOW~

* ANGEL's lustful soul afftected the villagers that got close to her.
* Angry, enticed, and confused, they grabbed at every part of ANGEL, using and abusing her.
* ANGEL had the sexual energy to fuck them all up.

(Aah! My head is throbbing! My dick is throbbing!)
(Why!? Why!!? WHY!!!?)



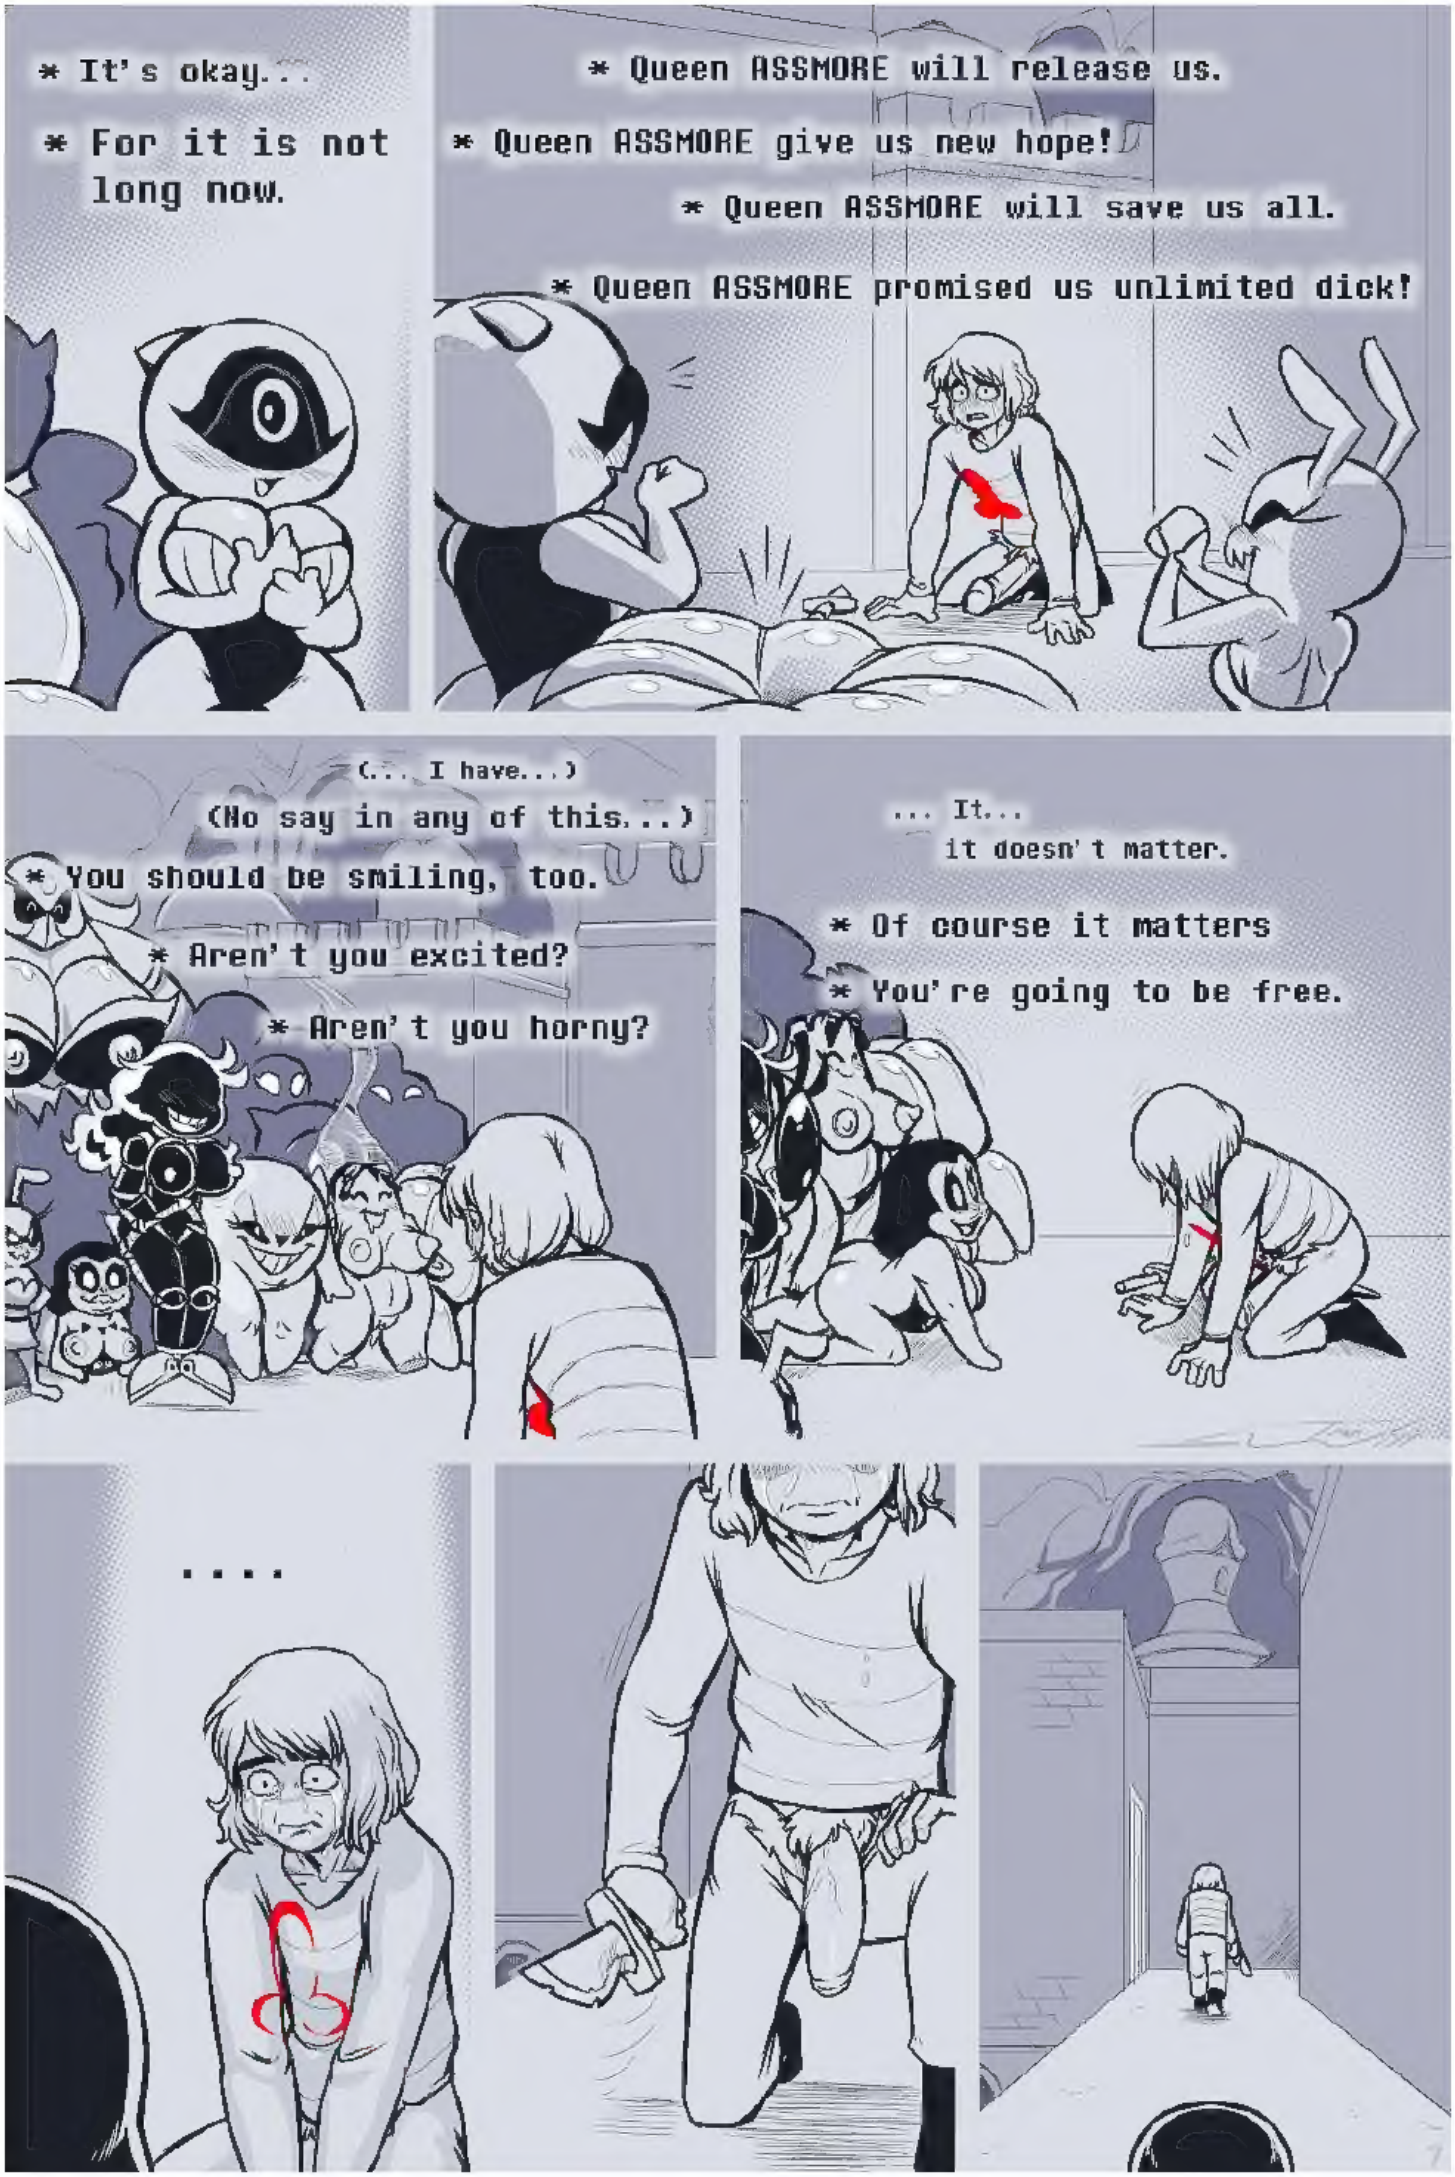
* But...
* ANGEL did not fight back.
* Fufilling her promise...
* ANGEL escaped, smiled, and walked away.
Leave me alone dammit! Stop filling my head with these-
Gaahh!!
EOW-

* Wounded, ANGEL stumbled home.
* The sight of her mothers, the lust that fueled her, the pain she took,
* all caused her to collaspe.
* Her mist spread across the garden.
Fff-Gnnh!!
Leave me alone!!
EOW- EOW-

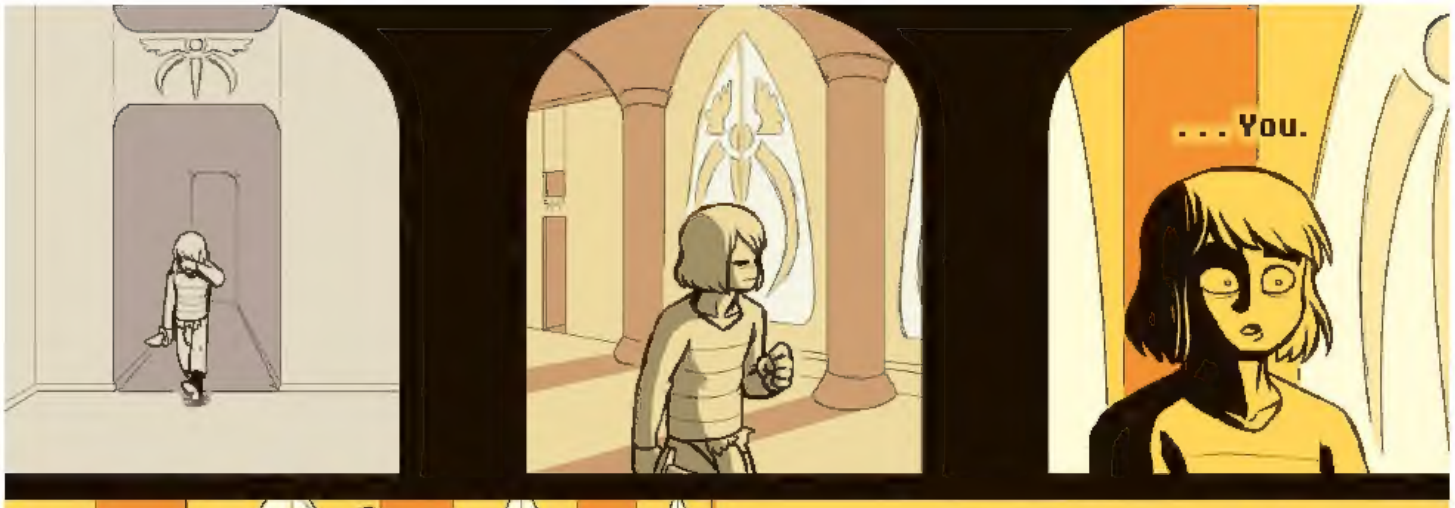
* The kindom fell into despair.
* The two queens had lost two loved ones in one night.
* The humans had once more, taken everything we loved.

Whish!
Sup!
IT'S NOT MY FUCKING FAULT!!!

* Queen ASSMORE decided it was time to end our suffering.
* Every human male that falls here will be fucked to death, killed slowly.
* Every human female who falls here will be executed, killed quickly.
* With the lustful souls of men, we can shatter the barrier for good.
...n-nnh...
NO!! I DIDN'T WANT THIS!!
Ack!
BMP!
This has gone too far!
I just wanted to have sex!
I just wanted to have fun!
None of this makes ANY sense!!
I'M NOT... I..
H-h... I don't want to fight this...
I don't want to kill anyone...
I...
I don't want to die...

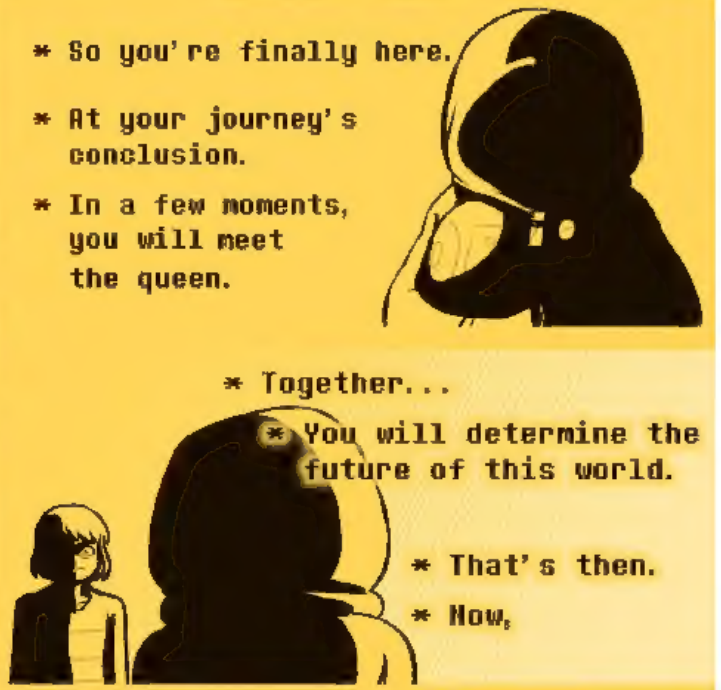


* It's okay...
* For it is not long now.
* Queen ASSMORE will release us.
* Queen ASSMORE give us new hope!
* Queen ASSMORE will save us all.
* Queen ASSMORE promised us unlimited dick!
(... I have...)
(No say in any of this...)
* You should be smiling, too.
* Aren't you excited?
* Aren't you horny?
... It...
it doesn't matter.
* Of course it matters
* You're going to be free.
....



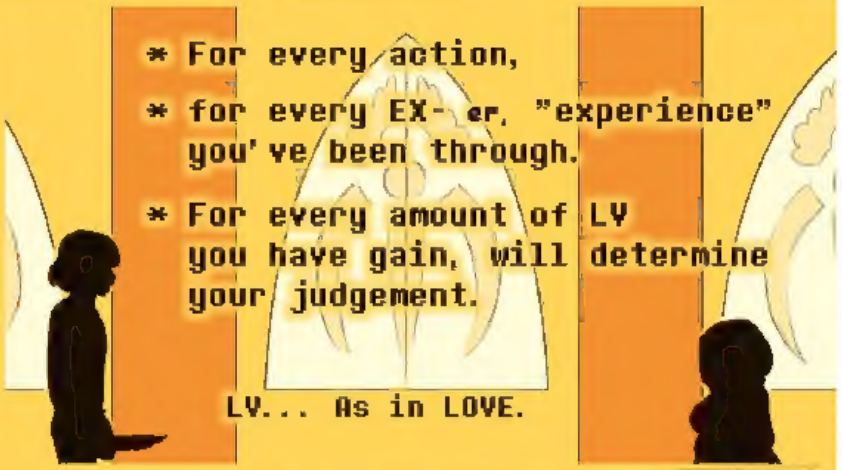
...You.

DOOON
DOOON
DOOON

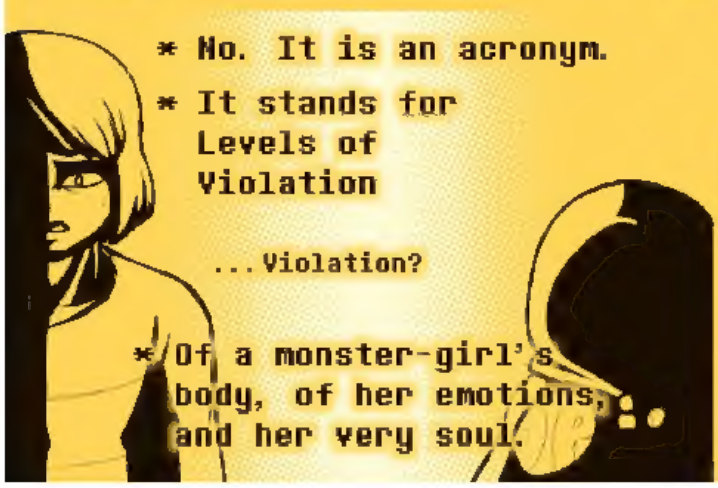


* So you're finally here.
* At your journey's conclusion.
* In a few moments, you will meet the queen.
* Together...
* You will determine the future of this world.
* That's then.
* Now,

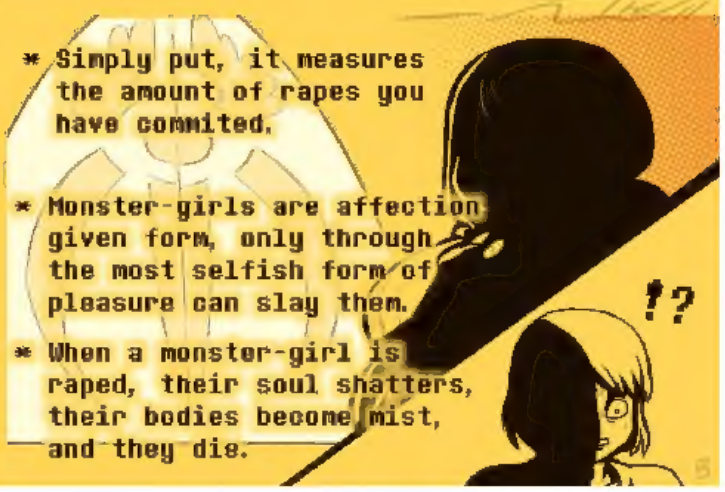
* You will be judged.
GRIIIP



* For every action,
* for every EX- er, "experience" you've been through.
* For every amount of LV you have gain, will determine your judgement.
LV... As in LOVE.



* No. It is an acronym.
* It stands for Levels of Violation
...Violation?
* Of a monster-girl's body, of her emotions, and her very soul.



* Simply put, it measures the amount of rapes you have commited.
* Monster-girls are affection given form, only through the most selfish form of pleasure can slay them.
* When a monster-girl is raped, their soul shatters, their bodies become mist, and they die.
!?

* ...though you.
* you have never violated, nor taken the life of another.

* 'course, you're not the nicest guy by a long shot.

* and while your cock was hard, you kept a certain tenderness in your heart.

* no matter what hardships you faced or who you banged...

* you stived to do the right thing in the end.

* you refused to harm anyone, even when some monster-girls wanted to break you.

(Or tried to fuck me in the ass...)

* you showed compassion, lust, with a hint of love all around.

* does that make sense?

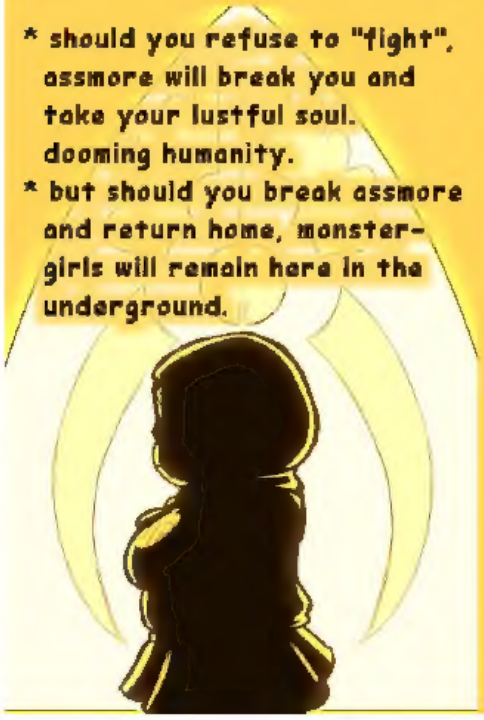
... y-yeah.
It... in a odd way, it kinda does make sense.

* cool.
* ....now,

* you're about to face the greatest challenge of your entire adventure.

* what you do, will determine the fate of not just this world, but the whole world.

* should you refuse to "fight", assmore will break you and take your lustful soul. dooming humanity.
* but should you break assmore and return home, monster-girls will remain here in the underground.



But, w-
Why? I-It doesn't have to be this way Comic!

How could you- fuck, how can ANYONE accept this fate?!

* ...
* if i were you, personally, i would've thrown in the towel by now.

That's because you're lazy.

* unlike me, you've something called "determination"
Determination...
(That word again...)
* its what helped you make those magic bullets, and what helped you fuck so many monster-girls.
* so long as you do what's in your heart... and your dick.
* i believe you can do the right thing.
...Thank you, Comic. But... It feels like this weight on my back has become immovable. Things have elcalated faster than I could've ever prepared for.
* still,
* we're all counting on you dude.
It... It doesn't feel like it. Right now, I feel as if everyone here is against me...
* ...
* look, i don't normally do this, but i could 'cheer you up' if you catch my drift.

* Are you ready?
Honestly... no.

Assmore. I ... I made a lot of friends along the way here. Before we...' well, you know, I would like to say my last good-byes to them.

Hoh! Aoooh~!!
S-Aaah!! Aooh!

And that is?

Why can't you do it yourself?
* I-Its personal, so shut it!

I guess that makes sense.

Okay, okay. I won't.

DATING START...?
She's getting dressed!
OH, OKAY.
(Wait, who the hell was I talking to!?)
(Oh fuck, am I hearing voices inside my head now!!?)
* Sorry!
* I'm ready now Frisky!
!!
* H-How do I look?
* My friend helped me pick out this dress.
(Hot fucking damn!)
You uhh... looking good...
(No! Focus Frisky, Focus!)
* Um, anyway!
* Let's do this thing!
Uhh, actually Sy-
* O-Oh, w-w-wait!
Huh?
* Umm, I've gotta give you items to raise your affection statistic first!
* That should increase the chance of a successful outcome— to the date!
Okay...?
* I've been stockpiling gifts in anticipation for a date like this!
* First, here is some bikini armor polish!
...
* u uh, actally, maybe you can't use that.
* Umm, How about...
* This magical dildo harness for sturdier...
* uh...
* Hey, let's forget about those items!
Right...
(I should tell her, but... maybe..)
* Lets just start the date!
(This might be my last day alive.)
(So maaaybe I can see where this goes.)

* Here we are!

(The garbage dump. Very romantic...)

* This is where Nokyel and I come all the time...

* We find all sort of great stuff here.

* She's really, uh...

Look, about her;
She's the one th-

Ahh!?

* U-Um, but h-hey!

* Heheh-eh, lets get this date r-really started!

Haah, Whoaa~

* Mwh, M-Mh~

* Fully stimulated~

* Heheheh

You're uhh, acting more bold than usual.

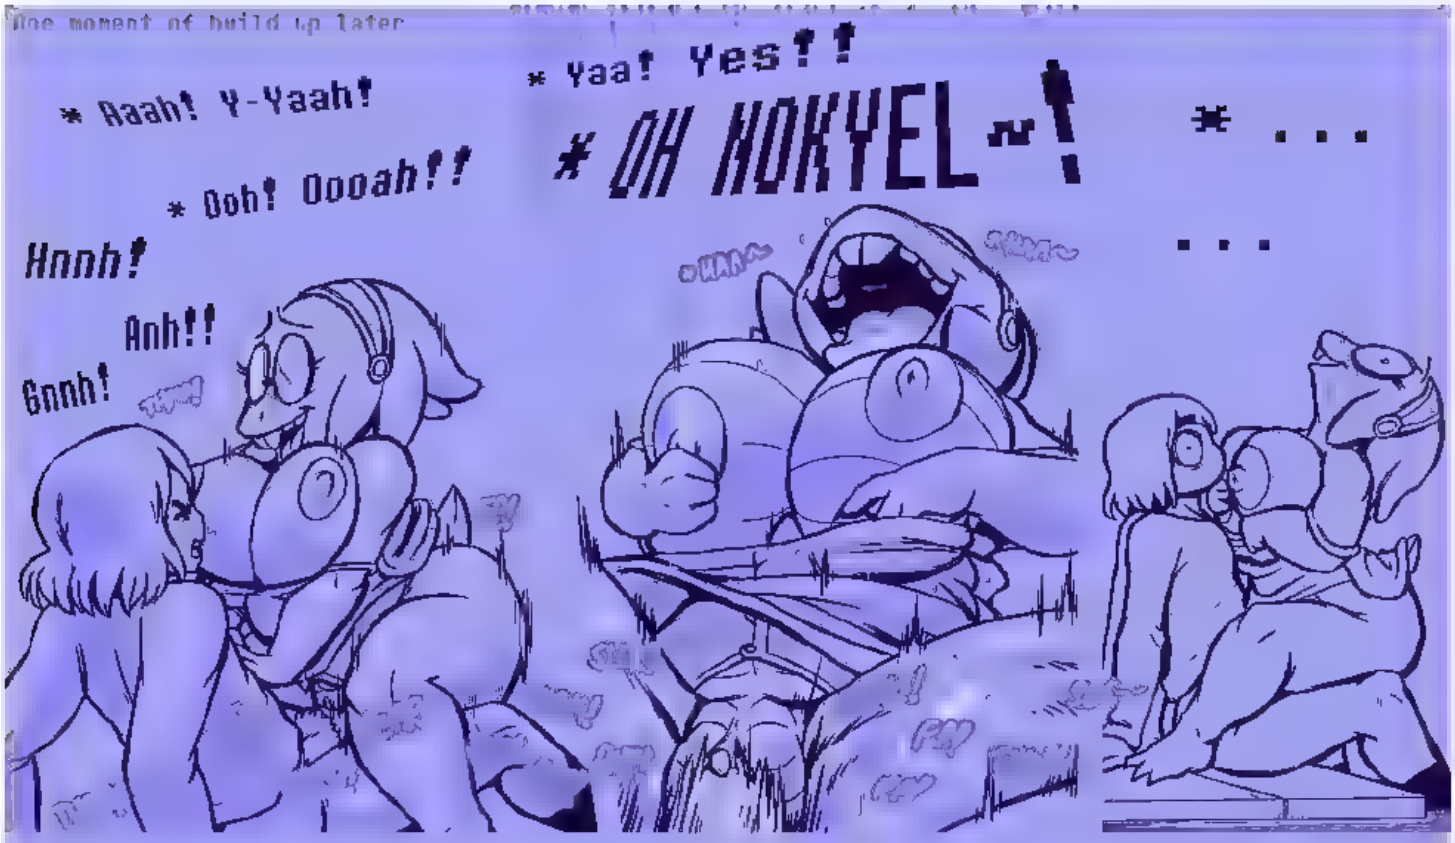
* Really??

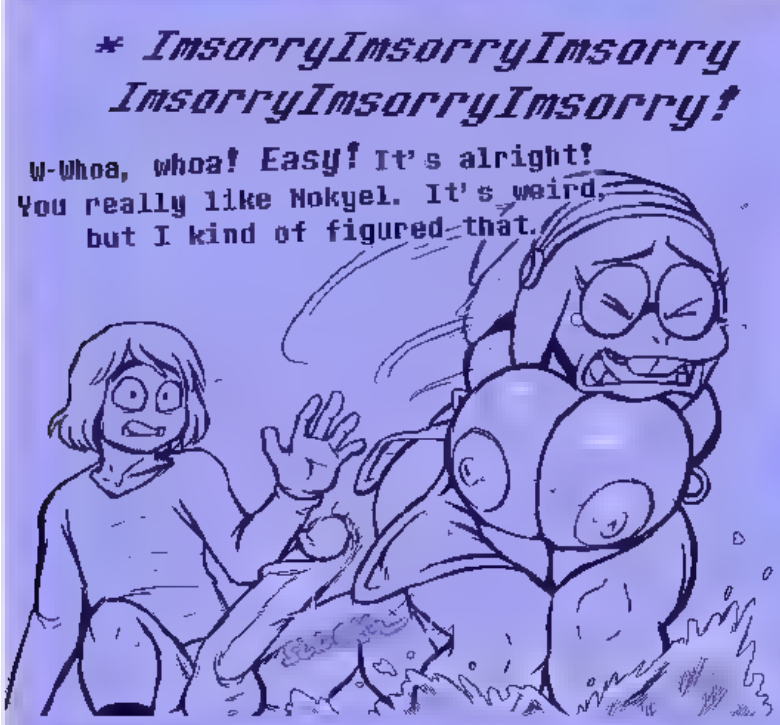
* Oh, I uhh, well, we're on a date of course!

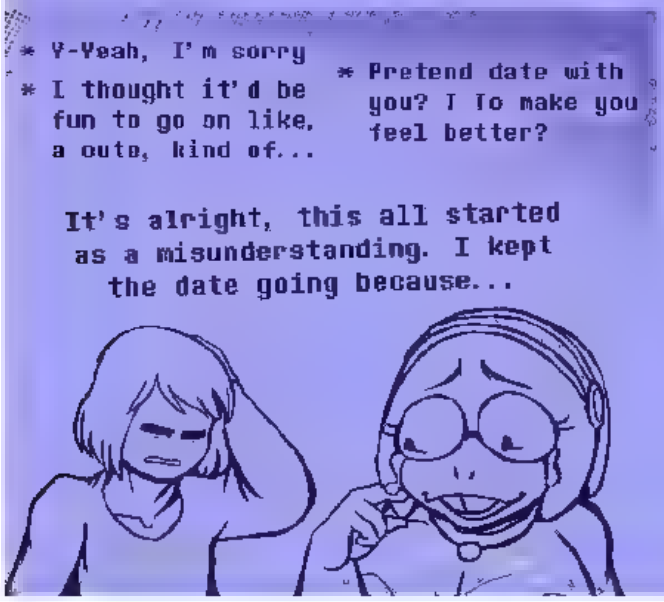
* It's-not that usual, r-right?

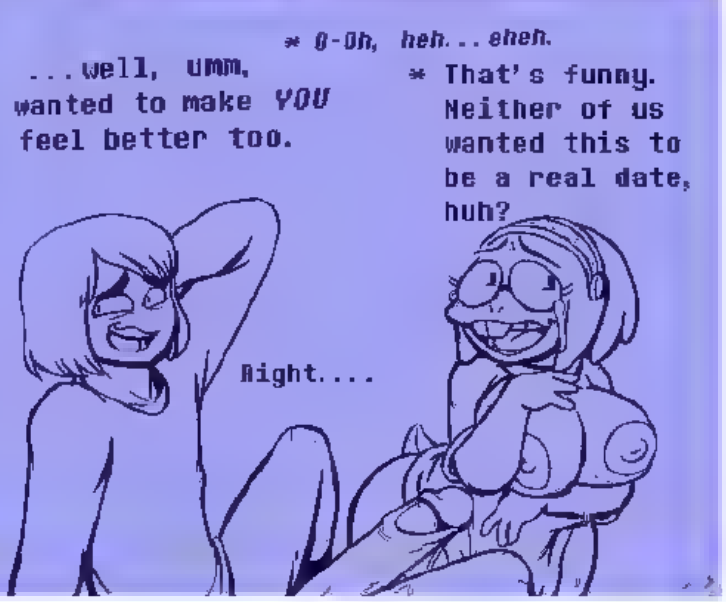
I suppose not~

One moment of build up later



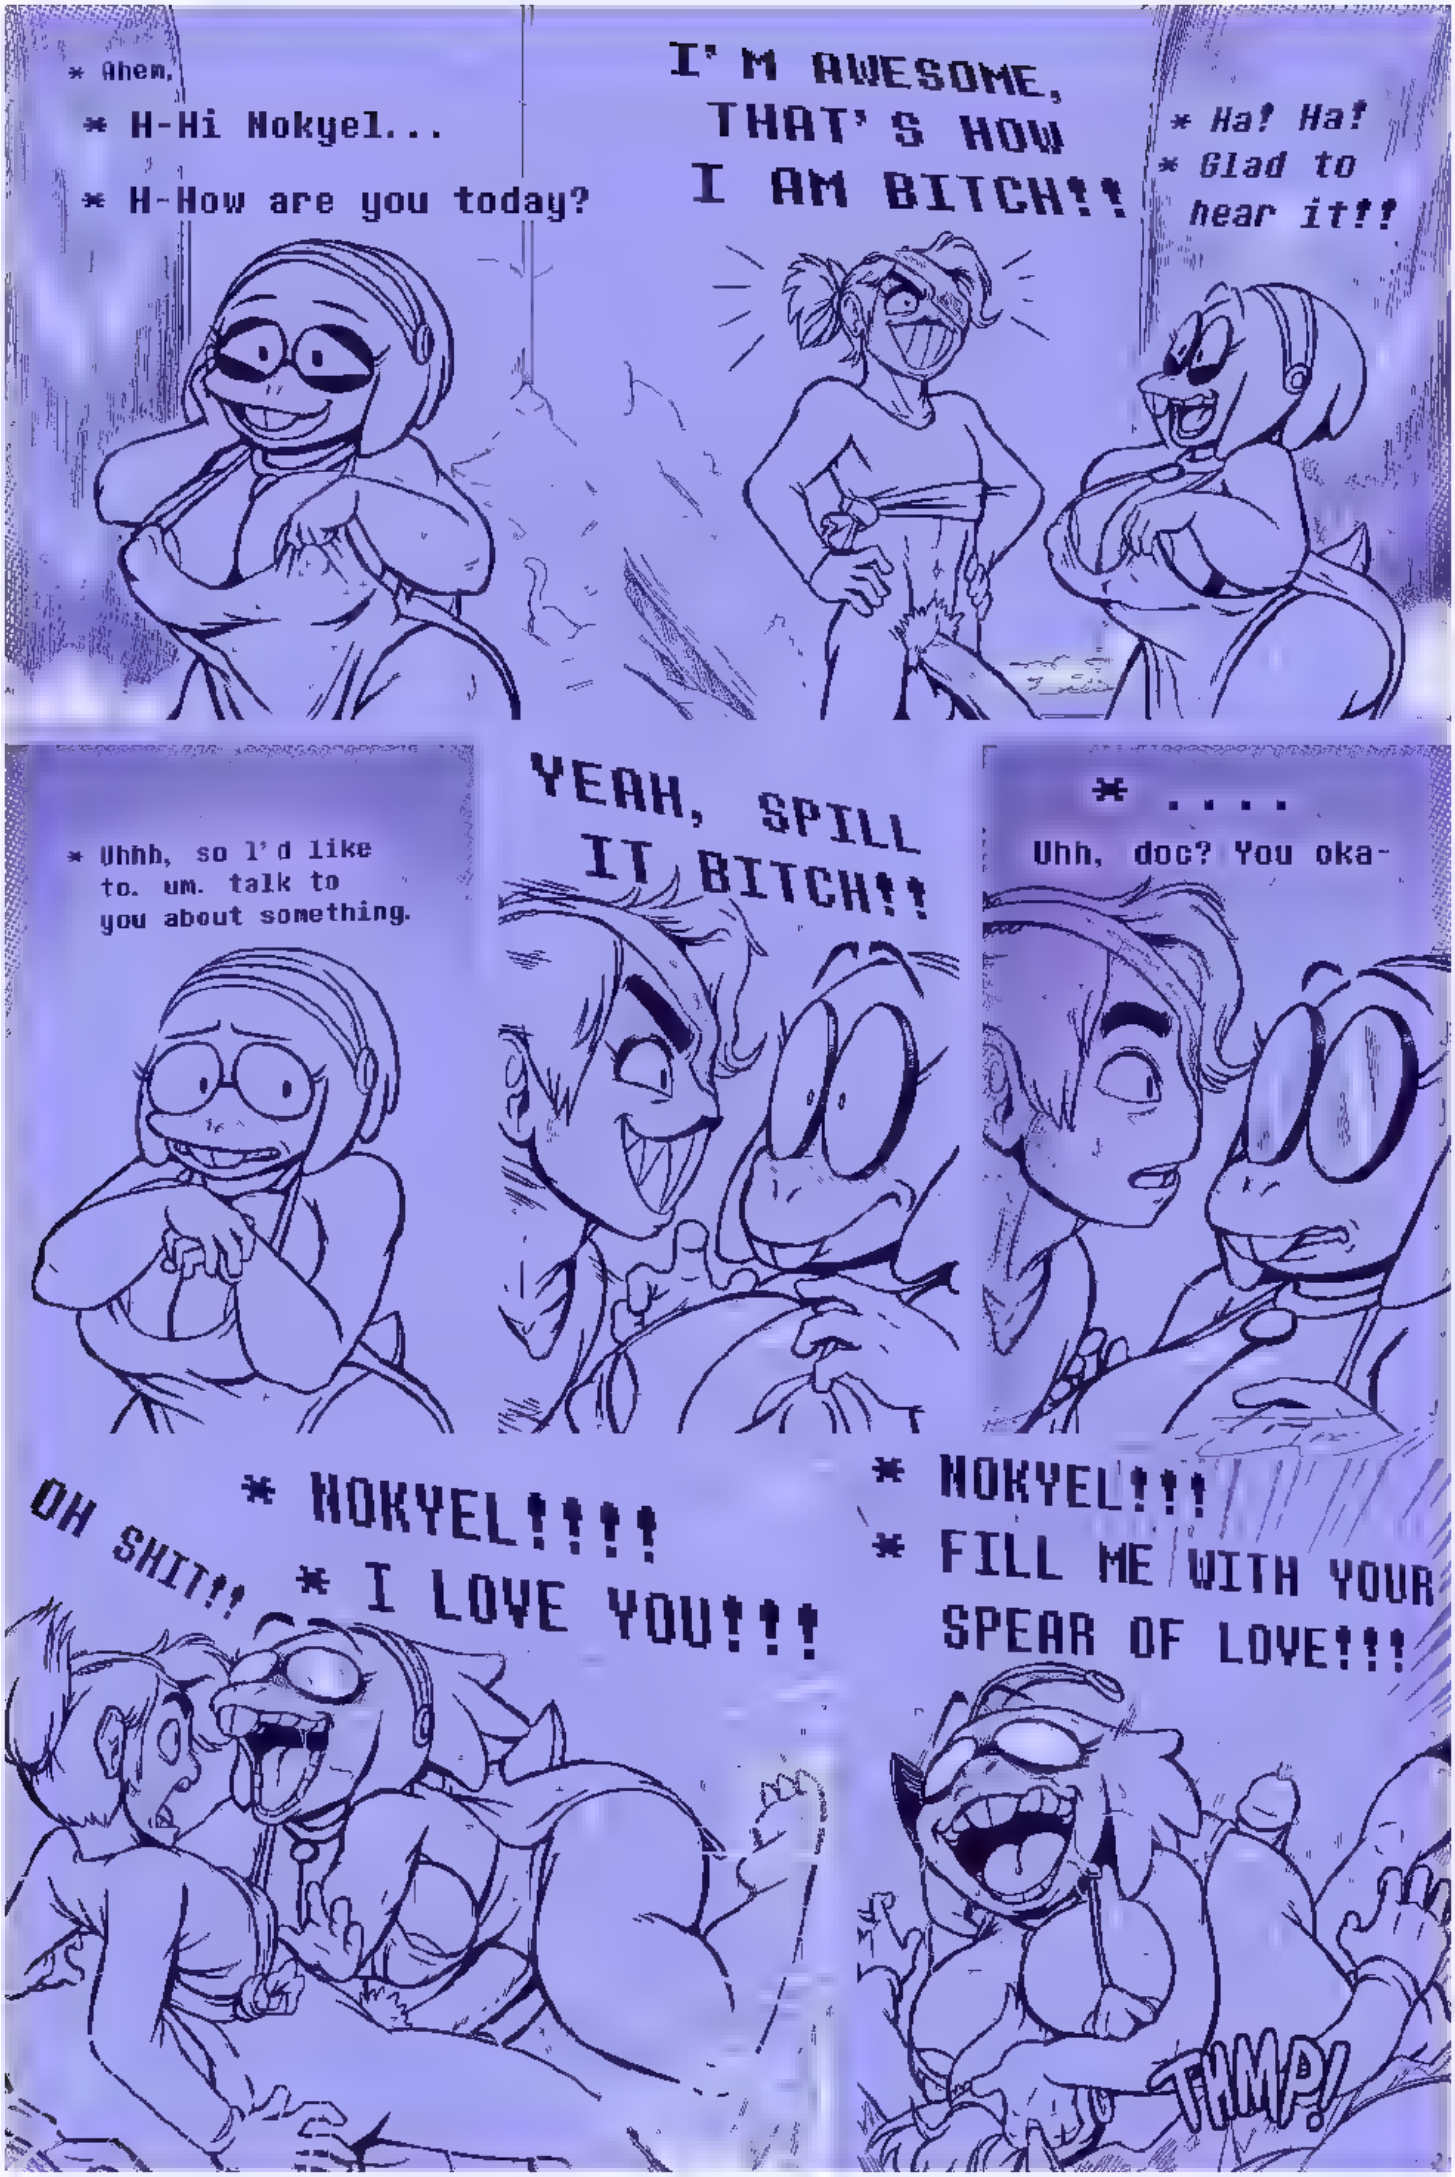






* I really am sorry.
* Nokyel's the one I, Um... wanted to go on a date with.
* But, I mean... She's way out of my league.
That-
* Oh!
* N-not that you aren't, um, cool!
* B-But... Nokyel...
* She's so confident... and strong... and funny...
(And fucking terrifying...)
* And I'm just a nobody.
That's not true, you're the royal scientist. That has to mean something.
* Yes, but...
* All I've ever done is hurt people
* I've told her so many lies, she thinks I'm... a lot cooler than I actually am.
* If she gets close to me, she'll find out the truth about me
... Then just tell the truth.
* Wh-Wha!?
* But if I tell her that, she'll hate me.
* Isn't it better this way?
* To lie and keep everyone happy?
Wh-
No! No it fucking isn't!

* But, uh...
* No, you're right.
* I'm just scared of what will happen if people learn the truth on their own.
In that case, its better if they heared it from you, rather than have them find out themselves.
* But how can I tell NOKYEL the tr... truth?
* I d-don't have the confidence...
Syhpl-
* I'm going to mess it up!
* How can I practice!?
...
We could try to act out your confession.
* "Act out"?
* Like R-Roleplaying?
Yeah, Roleplaying! I'll be Nokyel, and you can act as yourself.
* You as Nokyel?
* I-I guess that makes sense, given that you have your own, umm, "spear"...
* Actually, yeah, that sounds kind of fun!
Alright, give me a sec to look the part.



* Ahem.
* H-Hi Nokyel...
* H-How are you today?
I'M AWESOME, THAT'S HOW I AM BITCH!!
* Ha! Ha! * Glad to hear it!!

* About...
* Well... Everything!
* I told you that I needed to borrow one of your spears for "scientific analysis"
* Really, I just... I just use it on myself every night.
* And those human history books I keep reading,
* Those are just dirty, drawn Doujinshi's
* And the history movies,
* Those are just hentai! They aren't real!
* Syhpla-
* And that time I told you--
* Syhpla.
* Relax.

(Whoa... this is rare...)

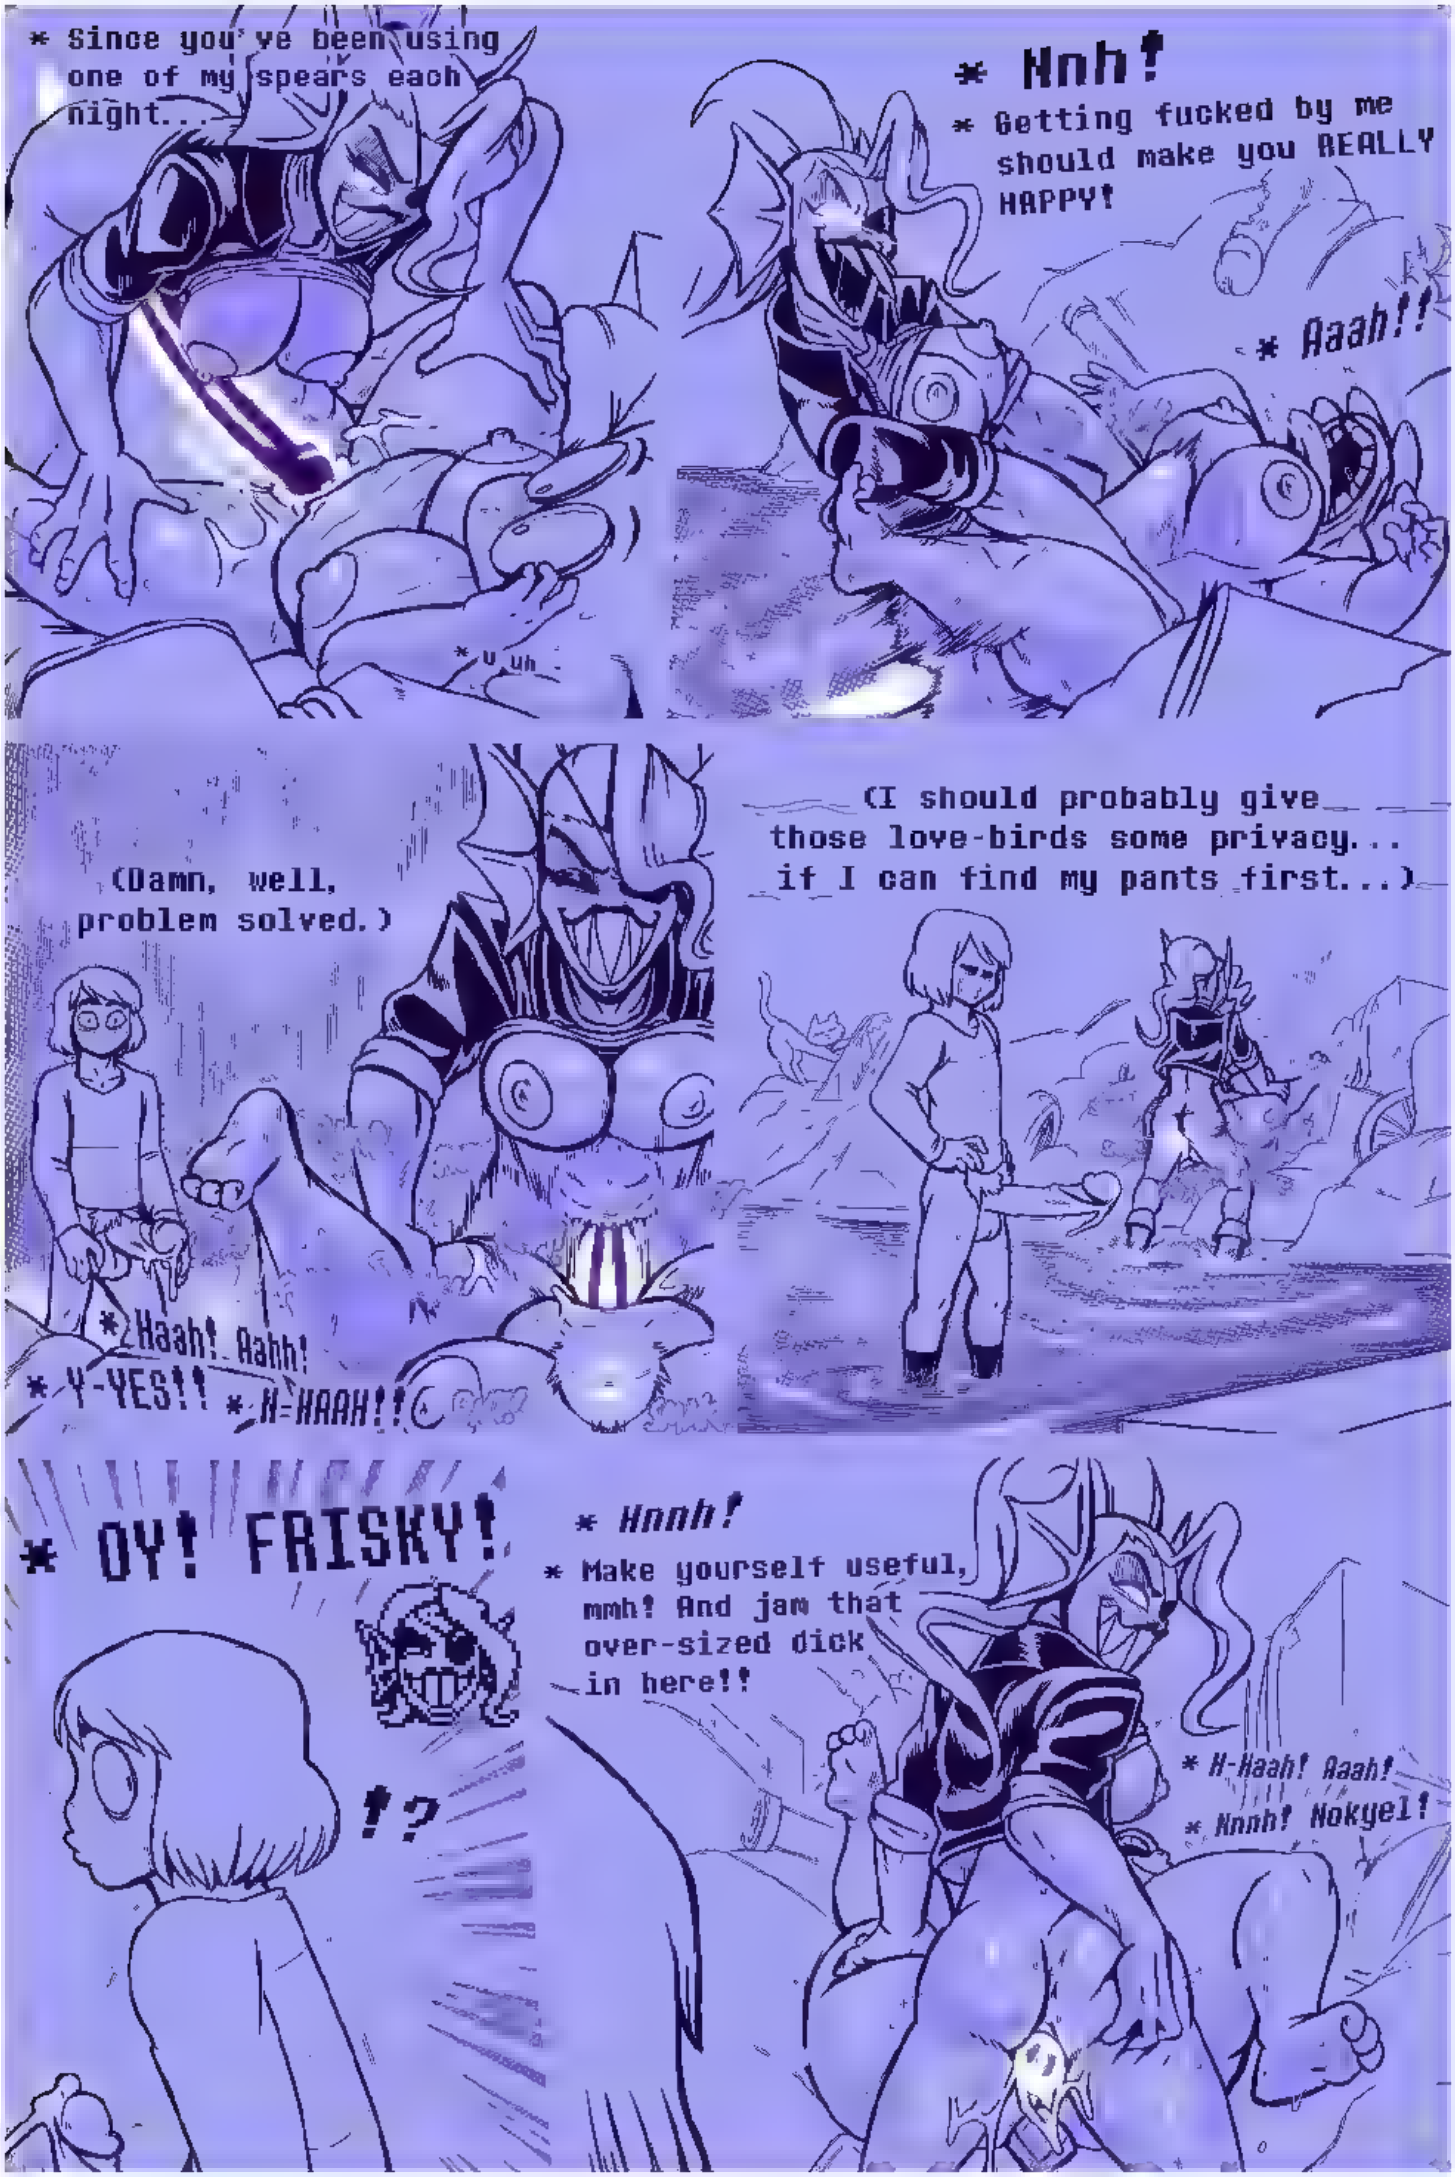
SWHING!
* What I like about you is that you're ANALYTICAL and PASSIONATE!!
* So, you don't have to lie to me.
* I don't want you to have to lie to anyone anymore.
* Syhpla... I want to help you become happy with who you are!
* Nokyel...



* Since you've been using one of my spears each night...
